

your Yukon adventure STARTS HERE.

Packing list for guided canoe trips | Nature Tours of Yukon

When planning your equipment, please keep in mind that besides your personal gear you will have to transport your food and equipment. So, try to keep the weight and volume of your equipment to a minimum! Plan at home what you will take on your canoe trip and what you will leave in Whitehorse.

Nature Tours of Yukon provides the following equipment:

- Tents;
- Safety equipment: bear spray (pepper spray), first aid kit, satellite phone;
- Camp stove, water filter, kitchen equipment & eating utensils;
- Watertight barrels/dry bags;
- Canoes, paddles, life jackets, etc.
- Food & beverages;

We recommend guests to bring along:

Camping/Hiking equipment:

- small waterproof pack bags or stuff sacks to use inside dry bags/barrels;
- small day pack for short hikes (if applicable);
- sturdy and well broken in (waterproof) hiking/trekking boots;
- comfortable shoes/boots to wear during paddling (some prefer neoprene socks);
- wool socks;
- suitable shoes/boots/sandals for wading or creek crossings and camp use;
- fleece jacket/pullover;
- T-shirts, (thermal) underwear, jogging pants/long johns;
- hiking/canoeing pants (quick dry), shirts/blouses (no cotton);
- rain/wind pants, rain/wind jacket;
- wool gloves or mittens, scarf/warm cap (wool) and a hat;
- sleeping bag (suitable to -5°C), sleeping pad or ThermoRest;
- Thermos/water bottle.

Toiletries:

- Toothbrush & -paste, biodegradable soap, small towel;
